**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

No monopolies! Our country is based on competition, so let us keep it that way. These money~hungry grabs are disgusting, and taking our rights away. Please help allow our financial health to be sound in this country.

Corporations should not be ruling us. We are allowed some freedoms in this country, and this is one of them. Financial freedom for consumers, and healthy competition for businesses, all allowable for a free society like this country. The cost of living is enough these days.
